2014 Edition

BACK TO OUR ROOTS

When we first launched our brand, the name Bizarre was meant to indicate that we would be offering you models of really unusual vehicles .

Over the years we seem to have strayed somewhat from our original plan but have now decided to refocus the brand.

So you can expect to see more of the odd, the unusual and the extraordinary-whether sleek or ugly, old or new. Land Speed Record cars and bikes, racing cars , rally cars ,concept cars and road cars. We aim to produce models that will really stand out on your shelves.
